Driving Directions:

The University of Florida, Hilton is located at the intersection of 34th Street and Hull Road. The University of Florida, Entomology & Nematology Department is approximately 2 miles from the University of Florida Hilton. Take Hull Rd to Natural Area Drive and turn right. Follow the road around until you see the Entomology/Nematology Building on the left. Park in any of the spaces in the green zone (most of the spaces around the building are in this color zone). Please see the University of Florida map, followed by a closer view of the map to the Entomology/Nematology Building.
